

REMARKS

Claims 1-4 and 6-20, as amended, appear in this application for the Examiner's review and consideration. The feature of claim 5 has been added to claim 1 and claim 5 has been cancelled. Claim 6 has been amended to depend from claim 1. As no new matter has been added, these claim changes should be entered at this time.

In the Office Action, claims 5 and 6 were indicated as being allowable. Accordingly, the amendments made herein should now place the entire application in condition for allowance, early notice of which would be appreciated.
